"Future Easements and the Future Improvements" shall: (1) be described as to location and purpose in either the Final Plat Certificate or another recorded instrument executed by Declarant which refers to this Section 2.1; (2) be for the benefit of the Association and all Owners; and (3) be deemed part of the Common Areas and Common Area Improvements upon the recording of such Final Plat Certificate or other recorded instrument.

2.1.6. "Use". The Owners of Lots which contain or are burdened by any Common Areas shall not in any manner interfere with the maintenance, use and operation of the Common Areas, but such Owners may use the Common Areas within their respective Lots in any manner that does not so interfere and shall promptly restore such area to a condition as close to its original condition as reasonably practical after making such use.

Section 2.2 Ownership and Control. The Declarant shall convey the Common Areas to the Association, and the control and management of the Common Areas shall thereupon vest in the Association. The Association shall own the Common Areas and manage the same for the common use and enjoyment of the Owners, subject to the rights of any public utilities holding easements to operate and maintain any facilities installed within said easements.

Section 2.3 Owners' Easement of Enjoyment. Every Owner shall have a nonexclusive perpetual right and easement of enjoyment in and to the Common Areas owned by the Association. Such easement shall be appurtenant to and shall be conveyed with the title to or real estate contract purchaser's interest in, every Lot, even though such easement is not expressly mentioned or described in the conveyance or other instrument. Such easement shall be subject to the following:

2.3.1. Rules. The right of the Association to adopt rules and regulations governing the Owners' use and enjoyment of the Common Areas;

2.3.2. Utilities. The right of the Association, or a public utility, as applicable, to exclusive use and management of the Common Areas and Common Area Improvements that provide or contain utility or drainage lines, facilities or equipment;

2.3.4. Dedication. The right of the Association to further dedicate or transfer all or any part of the Common Areas to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed by the Owners. Following the election of the permanent Board of Directors, no such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer is signed by sixty percent (60%) of all members of the Association has been recorded;

2.3.5. Miscellaneous. The other restrictions, limitations and reservations contained or provided for in this Declaration.

Section 2.4 Maintenance of Common Areas and Common Area Improvements. The cost and expense of maintaining and operating the Common Areas and Common Area Improvements shall be the responsibility of and paid for by the Association and shall be funded from the Assessments to be made by the Association and charged to the Owners of Lots as further described in Section 7.4 below.

Section 2.5 No Interference. No Owner shall allow or permit any structure or landscaping to be located, installed or grown upon the Common Areas (including, but not limited to, Common Area easements for utilities and drainage, entryway monuments, street lighting and landscaping and the like) which might in any way damage or interfere with the installation, operation, maintenance and repair of such Common Areas. Each Owner shall maintain the area of his Lot subject to any Common Area easements in such a manner and condition which will not interfere with the installation, operation, maintenance and repair of such Common Area.

ARTICLE III. CONSTRUCTION ON LOTS AND USE OF LOTS

Section 3.1 Uniformity of Use and Aesthetic Appearance. The purposes of this Declaration include assurance within the Property of:

- (1) a uniformity of use and quality of workmanship, materials, design, maintenance and location of Structures with respect to topography and finish grade elevation and
- (2) no undue repetition of external designs.

It is in the best interest of each Owner that such uniformity of use be maintained as hereinafter provided. No Structure other than one single-family dwelling shall be erected, altered, placed or permitted to remain on any Lot. Accessory Structures including storage buildings are prohibited, except as may be specifically approved by the Architectural Control Committee. Notwithstanding anything herein set forth, the Construction of any Structure shall comply with (1) the terms and conditions of this Declaration and (2) the laws, ordinances and regulations of all governmental entities having jurisdiction over the Property; provided that the most restrictive of any duplicative or inconsistent provisions shall prevail. No Owner, including Declarant and any builder, may commence Construction on any Structure until said Owner has received the Architectural Control Committee's approval of said Structure in accordance with the terms of this Article 3.

Section 3.2 Submission and Approval of Plans.

3.2.1. Submission of Plans and Plan Review Fee. Before commencing Construction of any Structure on any Lot, the Owner shall submit to the Architectural Control Committee two (2) complete sets of detailed building (including, but not limited to, proposed paint colors and exterior materials), construction, surface water-run-off and landscaping plans

and specifications, and a site plan showing the topography and location of all proposed Structures (the plans, specifications and site plans are collectively referred to herein as the "Plans"), together with a Plan Review Fee in an amount, as may from time to time, be established by the Architectural Control Committee for the Plans to be reviewed in connection with a particular Lot. The Plan Review Fee should be in the form of a check made payable to the Association. The initial Plan Review Fee may not exceed \$300.

3.2.2. Form. The Plans shall be submitted in a form satisfactory to the Architectural Control Committee, which may withhold its approval of the Plans because of its reasonable dissatisfaction with the location of the Structure on the Lot, anticipated tree cutting required, aesthetic design, exterior color scheme, finish, architecture, height, impact on view from another Lot or Lots, appropriateness of the proposed Structure, materials used therein, or because of its reasonable dissatisfaction with any other matter which, in the reasonable judgment of the Architectural Control Committee, would render the proposed Structure inharmonious with the general plan of development of the Property or other Structures nearby.

3.2.3. Written Action. The Architectural Control Committee's approval or disapproval of Plans shall be in writing. Approval shall be evidenced by written endorsement on such Plans, one copy of which shall be delivered to the Owner of the Lot upon which the Structure is to be Constructed. If the Architectural Control Committee, or its designated representative, fails to approve or disapprove Plans in writing within thirty (30) days following submission of the Plans, then the Plans shall be deemed approved as submitted. No Plans shall be deemed to be submitted until all of the Plans associated with the development of a Lot have been submitted together with the Plan Review Fee.

3.2.4. No Alteration Without Approval. All Structures Constructed upon a Lot shall be Constructed strictly in accordance with the Plans approved by the Architectural Control Committee. No portion of any Plan shall be altered without the prior written approval of the Architectural Control Committee. No alteration of the exterior appearance of any Structure including, but not limited to, alteration of the color or materials of any Structure, shall be made without the prior written approval of the Architectural Control Committee.

3.2.5. Inspection of Construction. Inspection of construction and correction of defects therein shall proceed as follows:

a. Upon the completion of any Construction for which approved Plans are required under this Article 3, the Owner shall give written notice of completion to the Architectural Control Committee. In the event the Owner fails or refuses to give said notice of completion to the Architectural Control Committee, the Architectural Control Committee, upon ten (10) days notice to the Owner, may declare a completion and proceed with the inspection and approval process as herein provided.

b. Following receipt of the notice of completion, the Architectural Control Committee, or its duly authorized representative, may inspect such improvement. If the Architectural Control Committee finds that such Construction was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of

such non-compliance within a sixty (60) day period following receipt of the notice of completion, specifying the particulars of non-compliance, and shall require the Owner to remedy the same.

c. If upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such non-compliance, the Architectural Control Committee shall notify the Board in writing of such failure. Upon notice and hearing, the Board shall determine whether there is a non-compliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a non-compliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may either remove the non-complying improvement or remedy the non-compliance, and the Owner shall reimburse the Association upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy an assessment against such Owner for reimbursement pursuant to Article 7 hereof.

d. If for any reason the Architectural Control Committee fails to notify the Owner of any non-compliance within sixty (60) days after receipt of said written notice of completion, the improvements shall be deemed to be in accordance with said approved Plans.

3.2.6. Completion of Construction of Dwelling Structure. The construction of a Dwelling Structure on any Lot must be commenced within one (1) year following acquisition thereof (provided that for reasonable cause the Architectural Control Committee shall grant a six (6) month extension of the construction commencement date); and such construction must be completed on or before one (1) year after commencement of construction.

3.2.7. Enforceability. The Architectural Control Committee's review and approval or disapproval of Plans shall be absolute and enforceable in any court of competent jurisdiction. The Architectural Control Committee's approval of any Plans, however, shall not constitute any warranty or representation whatsoever by the Architectural Control Committee or any of its members that such Plans were examined or approved for engineering or structural integrity or sufficiency of compliance with applicable governmental laws, codes, ordinances and regulations. Each Owner hereby releases any and all claims or potential claims against the Architectural Control Committee, each member of the Committee, the Board, each member of the Board, and their heirs, successors and assigns, of any nature whatsoever, based upon engineering or structural integrity or sufficiency of compliance with applicable governmental laws, codes, ordinances and regulations.

Section 3.3 Size and Height Requirements and Restrictions.

3.3.1. Floor Area. The floor area of the main dwelling Structure, exclusive of open porches and garages, shall not be less than:

- a. 2,500 square feet for a dwelling containing a single level;
- b. 2,500 square feet for a multi-level dwelling (i.e. a “tri-level” as that term is used in the construction industry); and
- c. 2,500 square feet for a standard two-story dwelling.

3.3.2. Roofs. Roofs on all Structures must be finished with natural wood cedar shakes, cedar shingles, tile or an architectural series composition asphalt shingle that has been approved by the Architectural Control Committee. Approval for the use of other materials may also be granted by the Architectural Control Committee prior to Construction. No flat roofs shall be allowed.

3.3.3. Height. No Structure may be built to a level higher than two (2) stories above grade.

3.3.4. Garages. Garages are required and shall be incorporated in or made a part of the dwelling Structure. No detached garages shall be allowed without the prior written approval of the Architectural Control Committee, which approval may be withheld or given in its sole and absolute discretion. Single-car garages and carports are specifically prohibited.

Section 3.4 Use Restrictions.

3.4.1. Residential Use. Except for incidental home business use as provided in Section 3.4.21 below, the Lots are intended for and restricted to use for single family residences only, on an ownership, rental or lease basis, and for social, recreational, or other reasonable activities normally incident to such use. Notwithstanding the above, Declarant and builders may use dwellings owned by them as sales offices and models.

3.4.2. Leases. Any lease or rental agreement between an Owner and a tenant shall provide: (1) that the terms of the tenancy shall be subject in all respects to the provisions of this Declaration and any rules and regulations established by the Board; and (2) that any failure by the tenant to comply with the terms of such document shall be a default under the lease. All leases or rental agreements shall be in writing.

3.4.3. Maintenance of Structures and Lots. Each Owner shall, at his sole expense, keep the interior and exterior of every Structure on his Lot, and the Lot, in a clean and sanitary condition, free of rodents and pests, and in good order, condition and repair and shall do all redecorating, painting, landscaping, and maintenance at any time necessary to maintain the good appearance and condition of the Structure and the Lot.

3.4.4. Completion of Construction and Landscaping. Any Structure erected or placed on any Lot shall be completed as to external appearance (including finish painting and landscaping) within twelve (12) months after the date of commencement of Construction. All Lots shall be maintained in a neat and orderly condition during Construction. The landscaping to be completed within the twelve month time frame is the responsibility of the builder and includes

the lawn, rockery, shrubbery, etc. for the entire front yard commencing from the front of the dwelling Structure; provided that with respect to a corner lot, the side lot landscaping must commence from the rear lot line of the Lot, subject to the application of clearing limitations as noted in the Plat. As noted in Section 3.2.1 the landscaping plans and specifications must be approved by the Architectural Control Committee.

3.4.5. Parking. No recreation and/or commercial vehicle of any kind including, but not limited to, boats, campers, motor homes, trucks in excess of 3/4 tons, and trailers (whether operable or not) shall be parked, stored, maintained, constructed on any street, driveway, or Lot unless the same is not visible from the street, and the location has been approved by the Architectural Control Committee.

Further, no cars or other vehicles owned or leased by a resident (i.e., an owner or renter of a Lot and/or a structure located on a Lot) shall be parked, stored or maintained on any street. Street parking for periods not in excess of 24 hours shall be limited to non-commercial vehicles of invitees or guests of residents.

3.4.6. Signs. Each Owner of a Lot shall be a member of the Association and shall be entitled to one membership for each Lot owned; provided that, if a Lot has been sold by real estate contract, the contract purchaser shall be the member in connection with that Lot. Ownership of a Lot shall be the sole qualification for memberships in the Association. Membership rights may be suspended in accordance with the terms of this Declaration.

4.2.2. Suspension of Membership. During any period in which a member is in default in payment of any assessment levied by the Association, the voting rights of said member may be suspended by the Board of Directors until such assessment, together with all interest, late charges and attorneys' fee, has been paid. Such rights of a member may be also suspended, after notice and a hearing, for a period of not to exceed sixty (60) days, for violation of any rules and regulations established by the Board of Directors.

4.2.3. Transfer of Membership. The Association membership of each Owner (including Declarant) shall be appurtenant to the Lot(s) giving rise to such membership, and shall not be assigned, transferred, pledged, hypothecated, conveyed or alienated in any way except upon the transfer of title to the Lot, and then only to the transferee of title to the Lot. Any attempt to make a prohibited transfer shall be void. Transfer of title to a Lot shall operate automatically to transfer the membership in the Association to the new Owner.

Section 4.3 Voting.

4.3.1. Number of Votes. The total voting power of the Association shall be vested in two classes of Voting Membership:

Class A Membership. Class A Members shall be the Owner or Owners of each Lot within the Property, with the exception of the Declarant, and shall be entitled to one (1) vote for each Lot owned.

Class B Membership. The Class B Member shall be the Declarant and shall be entitled to three (3) votes of each Lot owned. The Class B Membership shall cease and be converted to Class A Membership upon the conclusion of the Development Period or December 31, 2008, whichever occurs earlier.

4.3.2. Voting Representative. There shall be one (1) voting representative for each Lot. Each member shall designate a voting representative for each Lot he owns by giving written notice to the Board of the name of the representative designated. If a member (including Declarant) owns more than one Lot, he may have one or more voting representatives, and each voting representative may exercise the votes appertaining to one or more of the Lots owned, provided that the voting representative(s) or the voting representatives together may not exercise more votes than the number of Lots owned by the member. Voting representatives need not be Owners.

The designation shall be revocable at any time by actual notice to the Board from the member or by actual notice to the Board of the death or judicially declared incompetence of the member. This power of designation and revocation may be exercised by the guardian of a member and the administrator or executor of a member's estate. Where no designation has been made, or where a designation has been but is revoked and no new designation has been made, the voting representative of each Lot shall be the group composed of all of its Owners.

4.3.3. Joint Owner Disputes. The vote of each Lot shall be cast as a single vote; fractional votes shall not be permitted. If joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If more than one (1) vote is cast for a particular Lot, none of said votes shall be counted and said votes shall be deemed to be void.

4.3.4. Pledged Votes. An Owner may, but shall not be obligated to, pledge his vote on all issues or on certain specific issues to a Mortgagee; provided, however, that if an Owner is in default under a First Mortgage on his Lot for ninety (90) consecutive days or more, the Owner's First Mortgagee shall automatically be authorized to declare at any time thereafter that the Owner has pledged his vote to the Mortgagee on all issues arising after such declaration and during the continuance of the default. If the Board has been notified of any such pledge to a Mortgagee, only the vote of the Mortgagee will be recognized on the issues that are subject to the pledge.

4.3.5. Proxies. Votes may be cast in person or by proxy. Proxies shall be in writing and signed by the Designated Voting Representative for the Lot. Proxies must be filed with the Secretary of the Association before the appointed time of each meeting. No proxy shall be valid for a period longer than 11 months after the date thereof, unless otherwise provided in the proxy. A proxy may be revoked at any time either by written notice to the Secretary of the Association or by the Designated Voting Representative's attendance at a meeting at which a vote will be taken. A proxy is automatically revoked upon conveyance of the Lot to which it pertains.

4.3.6. Balloting. On each vote cast by written ballot, the Designated Voting Representative shall identify on the ballot the Lot number(s) for which the vote is cast. After the ballots have been received, accepted and counted, the ballots shall be destroyed and the persons who counted the ballot count shall treat as confidential the manner in which the vote of each Lot was cast. The President shall have the right to designate the person or persons who shall count the ballots.

4.3.7. Majority Vote. Except as otherwise provided in this Declaration or as required by law, passage of any matter submitted to a vote at a meeting where a quorum is in attendance, shall require the affirmative vote of a majority of the voting power present in person or by proxy.

Section 4.4 Meetings and Notice of Meetings.

Following the conclusion of the Development Period, there shall be an annual meeting of the members of the Association in the first quarter of each calendar year at such reasonable place and time as may be designated by written notice from the Board delivered to the members no less than fourteen (14) and no more than sixty (60) days before the meeting. The financial statement for the preceding fiscal year and the budget the Board as adopted for the pending fiscal year shall be presented at the annual meeting. Unless at that meeting the Owners of more than seventy percent (70%) of the votes in the Association reject the budget, in person or by proxy, the budget is ratified, whether or not a quorum is present.

4.4.2. Special Meetings. Special meetings of the members of the Association may be called at any time for the purpose of considering matters which require the approval of all or some of the members (Owners), or for any other reasonable purpose. Such special meetings shall be called by written notice from the President of the Association upon: the decision of the President; his receipt of a request signed by a majority of the Board; or written request of the Owners having at least ten percent (10%) of the total voting power of the Association. Said notice shall be given to all Owners not less than fourteen (14) and not more than sixty (60) days before the date fixed for the meeting; shall specify the date, time and place of the meeting; and shall include a general statement of the matters to be considered.

If a vote is to be taken, a quorum shall consist of the presence, in person or by proxy, of the Lot Owners holding one-third (1/3) or more of the total votes, unless otherwise expressly provided herein.

Section 4.5 Books and Records. The Board shall cause to be kept complete, detailed, and accurate books and records of the receipts and expenditures (if any) of the Association, in a form reasonably approved by the Board. The books and records, authorizations for payment of expenditures, and all contracts, documents, papers and other records of the Association shall be available for examination by the Owners, Mortgagees, and the agents or attorneys of either of them, during normal business hours and at any other reasonable time or times.

If not, the Declarant shall call a special meeting of the members of the Association for the purpose of electing the first Permanent Board of Directors before the expiration of the term of the Initial Board of Directors. The term of the directors elected at the meeting shall expire at the first annual meeting of the Association occurring after their election. Commencing at said next occurring annual meeting, and at each annual meeting thereafter, the voting representatives shall elect three (3) directors who shall serve for a term of one (1) year, until the next annual meeting of the Association. Directors may be re-elected.

Meetings shall be called, held and conducted in accordance with this Declaration. The Board may delegate all or any portion of its administrative duties to a manager or officer of the Association.

Section 5.10 Officers. The officers of the Association shall be a President, a Secretary and a Treasurer, who shall be appointed or elected by the Board. The Board may also appoint or elect such other officers as the Board may determine to be appropriate. The term and duties of each officer shall be for one year. Any two or more offices may be held by the same person, except the offices of President and Secretary. Any officer may be removed at any time, with or without cause, by the Board.

He shall perform such other duties incident to his office or that are properly required of him by the Board of Directors.

Section 5.11 Delegation. In the case of absence or inability to act of any officer of the Association and of any person herein authorized to act in his place, the Board of Directors may

from time to time delegate the powers or duties of such officer to any other officer or any director or other person whom it may select.

Section 5.12 Compensation. The directors and officers of the Association shall serve without compensation.

Section 5.13 Limitation of Liability.

5.13.1. Limitation of Liability. So long as a member of the Architectural Control Committee, a Board member, an Association officer, an Association member, or Declarant has acted in good faith, without willful or intentional misconduct, upon the basis of such information as is then possessed by such Person, then no such Person shall be personally liable to any Owner, or to any other Person, including the Association, for any damage, loss, or prejudice suffered or claimed on account of any act, omission, error, or negligence of such Person; provided that this Section 5.13.1 shall not apply to the extent that the consequences of such act, omission, error, or negligence are covered by any insurance actually obtained by the Board.

5.13.2. Indemnification. Each Board member, member of the Architectural Control Committee or Association officer (including Declarant) who act within the limits described in Section 5.13.1, shall be indemnified, defended and held harmless by the Association to the full extent permitted by law, against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of holding or having held such position or any settlement thereof, whether or not he held such position at the time such expenses or liabilities are incurred; except to the extent such expenses and liabilities are covered by insurance; and, except in such cases wherein such Person did not conduct himself in good faith, or he did not reasonably believe his conduct to be in the Association's best interests (in the case of conduct in his own official capacity with the Association), or he did not reasonably believe his conduct to be at least not opposed to the Association's best interests (in cases other than conduct in his own official capacity with the Association), or (in a criminal proceeding) where he had reasonable cause to believe his conduct to be unlawful; provided that no indemnification shall be made in respect of any proceeding in which such Person shall have been adjudged to be liable to the Association. No indemnification may be made unless authorized in the specific case as provided in RCW 23B.08.510 and RCW 23B.08.570 (as now existing or hereafter amended). Reasonable expenses may be paid or reimbursed in advance of final adjudication upon compliance with the provisions of RCW 23B.08.530 (as now existing or hereafter amended). 5.14.1. Adoption of Rules and Regulations. The Board is empowered to adopt, amend and revoke on behalf of the Association detailed administrative rules and regulations necessary or convenient from time to time to ensure compliance with the general guideline of this Declaration to promote the comfortable use and enjoyment of the Property and to govern the operation and procedures of the Association. The rules and regulations shall be binding upon all

Owners, occupants and all other Persons claiming any interest in the Property after a copy has been given to each Owner in the manner prescribed for the giving of notices in Article 14 of this Declaration.

5.14.2. Enforcement. Each Owner shall comply strictly with the provisions of this Declaration and any rules and regulations established by the Board. The Board or any Owner shall have the right to enforce the provisions of this Declaration and the rules and regulations of the Association for the benefit of the Association and the Owners. The failure of any Owner to comply with the provisions of this Declaration or the rules and regulations of the Association will give rise to a cause of action in the Association (acting through the Board) and any aggrieved Owner for recovery of damages, or injunctive relief, or both. The failure of the Board in any instance to insist upon strict compliance with this Declaration or the rules and regulations of the Association, or to exercise any right contained in such documents, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment of any right, term, covenant, condition, or restriction contained therein. The receipt by the Board of payment of any assessment from an Owner, with knowledge of any breach by the Owner, shall not be a waiver of the breach. No waiver by the Board of any requirement shall be effective unless expressed in writing and signed by an authorized agent of the Board.

5.14.3. Goods and Services. The Board shall acquire and pay for, as common expenses of the Association, all goods and services reasonably necessary or convenient for the efficient and orderly maintenance of all portions of the Common Area and Common Area Improvements not maintained by public utility companies or a governmental entity. The goods and services shall include (by way of illustration and not limitation) utility services for the Common Areas; policies of insurance; and maintenance, repair, landscaping, gardening, and general upkeep of the Common Areas and Common Area Improvements.

5.14.4. Preservation of Common Area. The Board may spend such funds and take such action as it may from time to time deem necessary to preserve the Common Areas, settle claims, or otherwise act in what it considers to be the best interests of the Association.

5.14.5. Assessments. The Board shall determine the amount of any assessments to be collected from the Owners for the common expenses of the Association, and to establish reserves, and shall collect the assessments and enforce the collection of assessments in accordance with the provisions of this Declaration and any applicable laws.

5.14.6. Actions. The Board may institute or defend actions at law, in equity or before administrative bodies to further or protect the interests of the Association or the Owners and may incur such expenses (including expenses for legal counsel) as may be reasonable, necessary or convenient to accomplish such purpose.

5.14.7. Other. The Board may exercise all other rights and perform all other duties as are reasonably necessary or incidental to the use, enjoyment, operation, management or administration of the Association, the Common Areas or the Common Area Improvements.

5.14.8. No Business. Nothing contained in this Declaration shall be construed to authorize the Association to conduct a business for profit.

Section 6.4 Insurance Account. The Treasurer shall establish an interest-bearing savings account in a bank or savings association, to be known as the Insurance Account, and shall make the monthly deposits therein as required by this Declaration.

Section 6.5 Reserve Account. The Treasurer may establish an interest-bearing savings account in a bank or savings and loan association, to be known as the Reserve Account. The purpose of the reserve Account is to provide for financial stability during periods of special stress, to meet deficiencies in the general funds that may occur from time to time as a result of delinquent payment of assessments, and for other contingencies. A portion of the assessments chargeable to the Lot Owners may be allocated to the Reserve Account. The amount of such allocations shall be determined in the discretion of the Board of Directors, and may be adjusted from time to time by the Board of Directors.

Section 6.6 General Account. The Treasurer shall establish a checking account in a commercial bank to be known as the General Account. This account will be the working capital account for the current operations of the Association and will normally receive all monthly assessments, and all income and other funds received by the Association. Checks shall be issued from this account for all management, maintenance, and operation expenditures. Funds for the Insurance Account and reserve Account will normally be received and deposited in the General Account and checks issued to the other accounts immediately so that an overall accounting of the funds received and disbursed by the Association is centralized in the check register of the General Account.

Section 6.7 Records – Financial Reports. Complete, detailed and accurate books and records of the receipts and expenditures of the Association shall be kept in accordance with

good accounting procedures, in a form reasonably approved by the Board. The Board, as a common expense, shall obtain an audit of the books and records of the Association at such intervals as the Board shall determine, and copies of said audit shall be furnished to the members.

ARTICLE VII. ASSESSMENT FOR COMMON EXPENSES

Section 7.1 Common Expenses. Common expenses include those expenses incurred by the Association in the improvement, operation, management and administration of the Association, the Common Areas and the Common Area Improvements as permitted by the provisions of this Declaration.

Section 7.2 Fiscal Year. The Board may adopt such fiscal year for the Association as it deems to be convenient. Unless another year is adopted, the fiscal year will be the calendar year.

Section 7.3 Budget. Within sixty (60) days before the beginning of each calendar year, or such other fiscal year as the Board may adopt, the Board shall estimate the charges, including common expenses and any special charges for particular Lots, to be paid during the coming fiscal year; shall make provision for creating, funding and maintaining reasonable reserves for contingencies and operations, as well as maintenance, repair, replacement and acquisition of Common Areas and Common Area Improvements; and shall take into account any expected income and any surplus available from the prior year's operating fund (the "Budget").

Within thirty (30) days after adoption of the Budget by the Board, the Board shall set a date for a meeting of the Lot Owners to consider ratification of the Budget not less than fourteen (14) nor more than sixty (60) days after mailing of a summary. Unless at that meeting more than seventy percent (70%) of the votes entitled to be cast reject the budget, in person or by proxy, the budget is ratified, whether or not a quorum is present.

Section 7.4 Assessment of Lots.

7.4.1. General Assessments. As soon as the estimate and Budget is prepared as set forth in Section 7.3, the Board shall assess each Lot within the Property with its pro rata share, (based upon the number of Lots then within the Property), of such estimated common expenses. The amount of assessment against each Lot shall be equal. The Board, at its election, may require the Lot Owners to pay any amount assessed in equal monthly or quarterly installments or in a single lump sum installment, and unless and until otherwise determined by the Board shall be paid annually. If the sum estimated and budgeted and being collected and/or already collected at any time proves excessive, the Board may reduce the amount being assessed

and/or apply existing funds (in excess of current needs and required reserves) against future assessments and/or refund such excess funds. Any failure by the Board or the Association to make the budget and assessments hereunder before the expiration of any fiscal year for the ensuing fiscal year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of the Owners from the obligation to pay assessments during that or any subsequent year. The assessment amount and payment method established for the preceding fiscal year (if any) shall continue until a new assessment is established.

7.4.2. Special Assessments. If the sum estimated and budgeted by the Board at any time proves to be inadequate for any reason (including non-payment for any reason of any Owner's assessment), the Board may at any time levy a further assessment against all of the Lots. Additionally, The Board may at any time make special assessments against particular Lots for any amounts (other than general assessments) owed to the Association by the Lot Owner under the terms of this Declaration.

7.4.3. Initial Payments by Declarant. As noted in Section 2.4 above, for a period of one hundred eighty (180) days following the date of recording of this Declaration, the Declarant shall, at its sole cost and expense, maintain and operate the Common Areas and Common Area Improvements; and thereafter the cost and expense of improving, maintaining, repairing and operating the Common Areas and Common Area Improvements shall be the responsibility of and paid for by the Association.

Section 7.5 Purpose. The assessments levied by the Board shall be used exclusively to promote the recreation, health, safety and welfare of the Owners, for the improvement and maintenance of the Common Areas and Common Area Improvements to pay the costs of operating the Association and to pay any other costs that the Board is authorized to incur pursuant to the provisions of this Declaration.

Section 7.6 Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis, quarterly or annual basis as determined by the Board of Directors.

ARTICLE VIII. LIEN AND COLLECTION OF ASSESSMENTS.

Section 8.1 Assessments Are a Lien; Priority. All unpaid sums assessed by the Association for the share of the common expenses chargeable to any Lot and any sums specifically assessed to any Lot under the authority of this Declaration shall constitute a lien on the Lot and all its appurtenances and improvements from the date the assessment becomes due until fully paid. The amount of the lien shall include all interest and late charges in connection with said unpaid assessment and all costs and expenses, including attorneys' fees, incurred by the Association in the collection of said unpaid assessment. The lien for such unpaid assessments shall be subordinate to tax liens on the Lot in favor of any assessing unit and/or special district, and to all sums unpaid on all First Mortgages of record which were made in good faith and for value, but, to the extent permitted by applicable law, shall have priority over all other liens against the Lot. A First Mortgagee that obtains possession through a Mortgage foreclosure or deed of trust sale, or by taking a deed in lieu of foreclosure or sale, or a purchaser at a

foreclosure sale, shall take the Lot free of any claims for the share of common expenses or assessments by the Association chargeable to the Lot which became due before such possession, but will be liable for the common expenses and assessments that accrue after the taking of possession. The Lot's past-due share of common expenses or assessments shall become new common expenses chargeable to all of the Lots, including the Lot foreclosed upon. Notwithstanding any of the foregoing, however, the defaulting Owner or real estate contract purchaser shall continue to be personally liable for past due assessments as provided in Section 8.3. For purposes of this Section, "Mortgage" does not include a real estate contract and "Mortgagee" does not include the vendor or the assignee or designee of a vendor of a real estate contract.

Section 8.2 Lien May Be Foreclosed. The lien for delinquent assessments may be foreclosed by suit by the Board, acting on behalf of the Association, in like manner as the foreclosure of a mortgage of real property. The Board, acting on behalf of the Association, shall have the power to bid on the Lot at the foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 8.3 Assessments Are Personal Obligations. In addition to constituting a lien on the Lot, all sums assessed by the Association chargeable to any Lot, together with interest, late charges, costs and attorneys' fees in the event of delinquency, shall be the joint and several personal obligations of the Owners and any contract purchaser of the Lot when the assessment is made. In connection with the voluntary transfer of a Lot, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments up to the closing of the transfer, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore. Suit to recover personal judgment for any delinquent assessments shall be maintainable without foreclosing or waiving the liens securing them.

Section 8.4 Remedies Cumulative. The remedies provided herein are cumulative, and the Board may pursue any or all of them, and any other remedies which may be available under law although not expressed herein, either concurrently or in any order.

ARTICLE IX. INSURANCE

Section 9.1 Liability Insurance. The Board may, at its option, obtain a general comprehensive liability insurance policy insuring the Board, the Association and the directors and officers of the Association against any liability to the public or to the Owners and their invitees or tenants incident to the ownership or use of the Common Area or Common Area Improvements. Said insurance shall be in an amount determined by the Board.

Section 9.2 Other Insurance. At such times as the Board deems appropriate, the Board may cause the Association to purchase and maintain as a common expense such other insurance as the Board deems advisable.

ARTICLE X. DAMAGE AND REPAIR OF DAMAGE TO COMMON AREAS

Section 10.1 Damage by Particular Owner. Any Owner who causes, or whose family, agents or invitees cause, any damage or destruction to the Common Areas or Common Area Improvements shall pay the full cost of repair or restoration which is not paid by any casualty insurance proceeds. The Owner shall pay the same within ten (10) days after receiving from the Board written demand therefore containing documentation of the amount due. If the Owner fails to pay the same within said ten (10) day period, the Board may make a special assessment against said Lot and Owner as provided in Section 7.4.2 in the amount of the cost of repair or restoration, plus interest thereon at the rate of 12% per annum from the date of the written demand to the date of the assessment, plus any costs or attorneys' fees incurred by the Board in attempting to collect the amount due before making the assessment.

Section 10.2 Damage Not by Particular Owner. In the event of any casualty, loss or other damage to the Common Areas or Common Area Improvements not caused by a particular Owner, his family, agents or invitees, and if any insurance proceeds available to the Board for restoration or repair are insufficient to pay the full cost of the same, and if the current assessments, in the opinion of the Board, are insufficient to pay the remaining cost thereof, then the Board may make a special assessment against each Lot within the Property for its pro rata share of the expense to repair and/or restore the same as provided for in Section 7.4.2.

Section 10.3 Notice to Owners. The Board shall notify each Owner of any special assessment pursuant to Section 10.2 not less than ten (10) days prior to the date such special assessment or the first installment thereon is due and payable, which notice shall be accompanied by a reasonably detailed statement of the Board's estimate of the expense of repairing and/or restoring the Common Area and/or Common Area Improvements.

Section 10.4 Damage to Lot Structures. In the event of damage or destruction to the Structures located upon any Lot, the Owner of said Lot shall repair or restore such damaged or destroyed Structures in a good and workmanlike manner in conformance with the original plans and specifications approved by the Architectural Control Committee. The plans and specifications for said damaged or destroyed Structures may be modified and the Structures may be reconstructed in accordance with said modified plans and specifications if the Owner of said Lot secures the approval of the Architectural Control Committee as provided in Article 3 of this Declaration. If the Owner fails or refuses to commence such repair or restoration within sixty (60) days after such damage or destruction has occurred, the Association, by and through the Board, is hereby authorized to repair or restore the same in a good and workmanlike manner in conformance with the original plans and specifications. The Owner shall repay to the Association the amount actually expended by the Association for such repair or restoration within ten (10) days after receiving written demand therefore. If the Owner fails to pay the full amount due within said ten (10) days, the Board may make a special assessment against the Lot and Owner as provided in Section 7.4.2 in the amount of the costs expended for the repair or restoration, plus interest thereon from the date of the written demand to the date of the assessment, plus any costs or attorneys' fees incurred by the Board in attempting to cause the

Owner to make the repair or restoration and/or in attempting to collect the amount due before making the assessment.

ARTICLE XI. RESERVATIONS AND EASEMENTS

Utility easements (including, but not limited to: power, telephone, water, sewer, drainage, CATV and gas) are reserved as shown on the plat and others may also be recorded if required by governmental authorities having jurisdiction. Within such strips no Structure, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of said utilities, or which may change, obstruct or retard the flow of water through drainage channels. The easement areas and all improvements thereon shall be maintained by the Owner Occupant of the lot, except as to utility service improvements located therein, which are the responsibility of the utility entity owning such improvements. Subject to the foregoing, fencing and landscape plantings are permitted within the easement area.

Said easements are reserved to and for the benefit of the Association, and may be assigned and transferred by the Association to other appropriate persons or entities as deemed reasonably necessary by the Board in connection with the development and maintenance of the Plat and the Construction of dwelling Structures on the Lots.

ARTICLE XII. AMENDMENTS OF DECLARATION

Section 12.1 Amendments by Owners. Any Owner may propose amendments to this Declaration by submitting the proposed amendments to the Board. If a majority of the members of the Board approve of a proposed amendment, it shall cause the proposed amendment to be submitted to the members of the Association for their consideration at their next regular or special meeting. If an amendment is proposed by Owners of ten (10) or more of the Lots, then, regardless of whether the Board approves of the proposed amendment, it shall be submitted to the members of the Association for their consideration.

12.1.1. Notice of Proposed Amendment. The notice of a meeting at which an amendment is to be considered shall include the entire text of the proposed amendment.

12.1.2. Adoption of Amendments. Except as specifically provided in Sections 12.1.3, 12.2, 12.3, 12.4 and 12.5, amendments may be made to this Declaration by the affirmative vote of sixty percent (60%) of the voting power of the Association at any annual meeting of the Association, any special meeting of the Association called for that purpose, or without a meeting if all Owners have been duly notified and voting representatives representing at least sixty percent (60%) of the members consent in writing to such amendment.

12.1.3. Unanimous Consent for Certain Amendments. The unanimous consent of all Owners shall be required for adoption of either (1) an amendment changing the voting power or portion of assessments appurtenant to each Lot, or (2) an amendment of this Article 12.

Section 12.2 Amendments by Declarant. Until such time as Declarant has sold and closed seventy-five percent (75%) of the Lots, Declarant may amend this Declaration without

approval of any Owners, provided that no such amendment may be made which would have the effect of changing the voting power or portion of assessments appurtenant to each Lot or of amending Sections 12.1.3 or 12.4.

Section 12.3 Amendments to Conform to Lending Guidelines. In addition, as long as Declarant continues to own one or more Lots, the Declarant, on his sole signature alone, and as an attorney-in-fact for all other Owners, with an irrevocable power coupled with an interest, may record an amendment to the Declaration as necessary to meet the then requirements of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Veteran's Administration, the Federal Housing Administration, or similar agencies, institutions, or lenders financing, or title insurance companies insuring, the purchase of a Lot.

Section 12.4 Amendments Requiring VA/FHA Approval. So long as the Declarant owns twenty-five percent (25%) or more of the Lots, the following actions will require the prior approval of the Federal Housing Administration or the Veteran's Administration: (i) Annexation of additional properties (ii) dedication of Common Area, (iii) and amendment of this Declaration.

Section 12.5 Amendments Requiring First Mortgagees' Approval. No material amendment to this Declaration (other than an amendment to conform to lending guidelines as described in Section 12.3) may be made without the prior written approval of seventy-five percent (75%) of all first Mortgagees of Lots; provided that a First Mortgagee who fails to respond within thirty (30) days of a written request to approve an amendment shall be deemed to have approved the Amendment. For the purposes of this Section 12.5 material amendment shall mean an amendment regarding the following subject matters: changes to the allocation of voting power; changes to the portion of assessments appurtenant to each Lot; changes to any provisions relating to First Mortgagees or holders, insurers or guarantors of First Mortgages; changes to the priority of assessment liens; and imposition of any right of first refusal or other restriction on the right of an Owner to sell, transfer or otherwise convey a Lot.

ARTICLE XIII. FIRST MORTGAGEES' PROTECTION

In addition to any other provisions of this Declaration benefiting First Mortgagees, and notwithstanding and prevailing over any other inconsistent provisions of this Declaration or any rules or regulations established by the Board, the following provisions shall apply to and benefit each First Mortgagee.

Section 13.1 Notices. Written notice that an Owner of a Lot has failed to meet any of his obligations under this Declaration or any rules and regulations for more than sixty (60) days shall be given by the Board to the First Mortgagee of such Lot; provided that said First Mortgagee has submitted to the Board a written request for such notification containing the address to which said notification is to be made. In addition, if it submits to the Board a written request for notification containing the address to which such notification is to be sent, any First Mortgagee shall be entitled to receive notice of: all meetings of the Association (and be permitted to designate a representative to attend the same); any condemnation; any damage or destruction affecting a material portion of the Common Areas or Common Area Improvements;

and any lapse, cancellation or material modification of insurance policies maintained by the Association.

Section 13.2 Condemnation. No provision of this Declaration shall be construed to entitle any Owner or other Person (including the Association) to priority over any First Mortgagee with respect to any distribution of a Condemnation Award.

Section 13.3 Insurance. The Board shall request any carrier of insurance maintained by the Board to give to any First Mortgagees who have made written request to the Board for such notification as set forth in Section 13.1, at least thirty (30) days written notice before canceling, reducing the coverage or limits or otherwise substantially modifying any such insurance. The Board shall request that any insurance policy maintained by the Association provide: that any reference to a Mortgagee in said policy mean and include all holders of First Mortgages, whether or not specifically named therein; and that such insurance as to the interest of any Mortgagee shall not be invalidated by any act or neglect of the Board or any Owner or any persons claiming under any of them.

Section 13.4 Records. First Mortgagees and insurers and guarantors of First Mortgages shall be entitled to inspect on reasonable advance notice during normal working hours at the offices of the Association all of the records of the Association, including current copies of the Declaration and rules and regulations. The Association may impose and collect a reasonable charge for copies and any reasonable costs incurred by the Association in providing access to records.

ARTICLE XIV. NOTICES

All notices required or permitted under the provisions of this Declaration or rules and regulations of the Association shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, the notice shall be deemed to have been delivered on the third (3) day of regular mail delivery after a copy has been deposited in the United States mail, first class, postage prepaid, addressed to the Person entitled to such notice at the most recent address known to the Board. Mailing addresses may be changed by notice in writing to the Board. Notices to the Board may be given to any Board member or mailed to the following address:

Board of Directors
Travoré Homeowners Association
c/o Lexington Development, Inc.
2700 Northup Way, Suite 400
Bellevue, Washington 98004

The Board's address may be changed from time to time by the execution and recording of an instrument in the real property Records of King County, Washington which (i) refers to this Declaration and this Article 14 and (ii) sets forth the Board's new address. Notice to the Owner shall constitute notice to the Owner as a member of the Association and to said Owner's voting representative. Notice to an Owner shall be sufficient if mailed to the address of the dwelling located upon the Lot if no other mailing address has been given to the Board by said Owner.

ARTICLE XV. ATTORNEYS' FEES

In the event that the Association or Owner employs an attorney to enforce any provision of this Declaration or any rules and regulations established by the Board, the Association or the Owner, as the case may be, shall be entitled to recover from the defaulting party its reasonable costs and attorneys' fees so incurred, whether or not suit or action is commenced.

ARTICLE XVI. EFFECTIVE DATE

This Declaration shall be effective upon recording.

ARTICLE XVII. DURATION

The covenants, conditions, and restrictions of this Declaration shall run with, and bind the Property and shall inure to the benefit of, and be enforceable by, the Owners, their respective legal representatives, heirs, successors, and assigns, for a period of thirty (30) years from the date this Declaration is recorded. After said thirty (30) year period they shall be automatically extended for successive periods of ten (10) years each, unless an instrument terminating the covenants, conditions and restrictions, which instrument is signed by a majority of the then Owners, has been recorded in the real property division of the Records and Elections Division of King County, Washington. In the event that such a termination instrument is recorded, the covenants, conditions and restrictions contained in this Declaration shall terminate at the end of the ten (10) year period during which it was so recorded.

ARTICLE XVIII. SEVERABILITY

The Provisions of this Declaration shall be independent and severable. The unenforceability or invalidity of any one provision shall not affect the enforceability of any other provision.

ARTICLE XIX. ASSIGNMENT BY DECLARANT

Declarant reserves the right to assign, transfer, sell, lease, or rent all or any portion of the Property owned by it. Declarant reserves the right to assign to any person all of its rights, powers, privileges, authority, duties, and obligations as Declarant created under this Declaration (which are in addition to those arising from Declarant's ownership of one or more Lots).

ARTICLE XX. GENDER AND HEADINGS

This Declaration is to be read with all changes of number and gender required by the context. The headings of the Articles and Sections of this Declaration are for convenience only and do not in any manner affect, limit or amplify the provisions hereof.
